

Baron

The Baron chair has a timeless design that aims to fit in with either a traditional or modern décor. Fabric choice and colour is the key to including a Baron in your space. And more importantly, the Baron's upright seat provides great support and is easy to get in and out of.

Leg: Cabriole legs are the standout feature of the Baron chair. The standard stain colour is Walnut, but you can also request Teak or Baltic if that better suits your décor.

Seat Cushions: We use Dacron-wrapped Dunlop foam on the seat, which comes with a 10-year guarantee. You can also have slow-release foam added in your seat. The standard design has a fixed seat, but we are also able to make it a loose cushion.

Seat and Back Suspension: Interlaced VG 775 webbing is used on the Baron, which comes with a 10 year guarantee.

Options: The Baron is available in either a single chair or 2 Seater.
