

Custom-made Quality Furniture

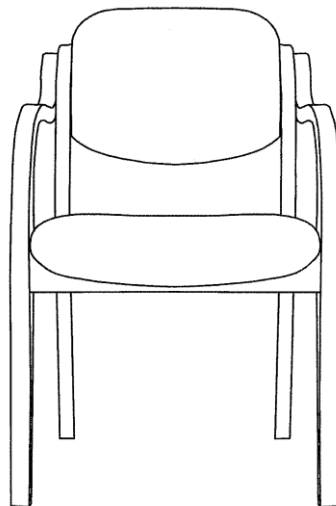

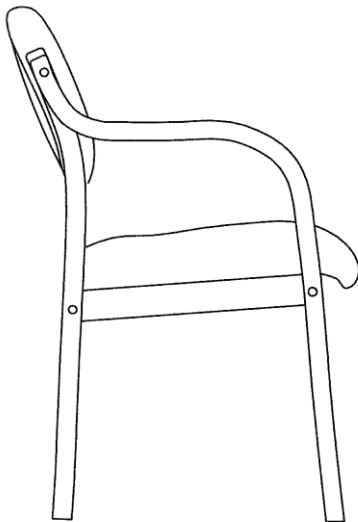

Bentwood

The bentwood is a lightweight chair it features a laminated timber frame with a foam seat over a moulded ply base. It has been designed for situations where you need support to get in and out of the chair – such as in medical waiting rooms or office foyers. We can supply the Bentwood flat-packed or assembled.

Bentwood Dimensions

Dimensions	Chair Height	Chair Depth	Chair Width	Seat Height	Seat Depth	Seat Width
