

Custom-made Quality Furniture

# Daylesford

The Daylesford is a sleek and modern high-back chair perfect for a waiting room, office or your home. This lightweight chair provides fantastic back support and is easy to move around. One of its key features is how easy it is to get in and out of – like all Oscar creations, the Daylesford is designed with comfort and practicality in mind with a big focus on style and quality.

**Frame:** The Daylesford has a lightweight but sturdy timber frame. The standard stain is Natural but it is also available in Teak, Baltic or Walnut to suit your décor.

**Seat Cushions:** The Daylesford has a fully-upholstered seat cushion. We use Dacron-wrapped Dunlop foam on the seat, which comes with a 5-year structural guarantee.
