

# Fireside

When naming this comfortable chair with its sturdy timber frame, we imagined sitting in comfort in front of the fireside. Hence the design and structure of this chair ticks all the comfort boxes – so you can enjoy long winter evenings in front of your fire without needing to get up. The Fireside can be custom-made as a single chair, two-seater or three-seater and our broad range of fabrics will ensure it fits your décor perfectly.

**Frame:** The Fireside has an MDF timber frame. The standard stain is Walnut but it is also available in Baltic or Teak.

**Seat Cushions:** The Fireside has fully-upholstered seat cushions. We use Dacron-wrapped Dunlop foam on the seat, which comes with a 5-year structural guarantee.

**Seat and Back Suspension:** Interlaced VG 775 webbing is used on the Fireside, which comes with a 10 year guarantee.
