

Activity Table & Easy Glide

Activity Table

The Activity Table comes in two different styles a Standard, which is your basic roller table and the Recliner. The Recliner has a greater table area and height to be used over a reclining chair and also has a cut out back board to allow the activity table to be used while the chair is in the recline position.

Recliner Table	720	510	900

Easy Glide

The Easy Glide is the only dining chair that has the features to 'glide' across the floor easily with a person sitting in the chair. The chair is made of a strong and attractive light weight timber-look aluminum frame. We offer a range of features to add to the Easy Glide to suit your needs such as:

- A self-locking wheel
- Arm pads to match the existing fabric choice on the chair
- Or No wheels
