

The B24 is available as a Brumby or Menningham style recliner chair. This chair comes with 170mm front castors and 100mm back castors with a footbrake. Another great feature of the B24 is the rechargeable 24V battery pack which allows the convenience of using your chair without being near a power supply.

A push bar is fitted as standard at the back of the chair allowing for easy maneuvering and control of the chair. Another option the B24 can have fitted is a footplate at the bottom of the chair to support the occupant's feet while the chair is moving.

Mechanism: One Motor lift mechanism, comes with Linak Motor. The motor, hand control and mechanism are warranted against faulty workmanship for 2.5 years from the date of purchase by consumers.

Arm Option: Available with or without show wood on arms or as a waterfall arm. Stain options are Teak, Walnut, Mahogany and Baltic. The standard stain is Walnut.
