

Custom-made Quality Furniture

Bariatrics Mobile Chair

Our Bariatrics Mobile Chair is one of our most functional and popular lift chairs. An extensive amount of research, testing and modelling has gone into creating a chair that is easy to get into, easy to get out of, and provides premium comfort. If you have problems with your back, hips, or any other joint – the Bariatrics Mobile Chair is for you. As part of our custom-made service, we can adjust the seat width, seat depth, seat height or backrest height.

Measurement Type	Measurement (mm)
Seat Width	Standard 530mm
Seat Depth	Standard 520mm
Seat Height	Standard 500mm
Backrest Height	Standard 660mm
