

Bridge

Our Bridge chair is ideal for a day chair or in a waiting room, and is one of our most popular sellers in medical centres, nursing homes and other health facilities Australia-wide. It is comfortable and easy to get in and out of. It comes as a single or two-seater and is also available with an ottoman or footrest to boost the comfort factor. You can also order scatter cushions as an accessory.

Frame: The Bridge has an MDF timber frame. The standard stain is Walnut but it is also available in Baltic or Teak to suit your décor.

Seat Cushions: The Bridge has fully-upholstered seat cushions.

We use Dacron-wrapped Dunlop foam on the seat, which comes with a 5-year guarantee.

Seat and Back Suspension: Interlaced VG 775 webbing is used on the Bridge, which comes with a 10 year guarantee.

DIMENSIONS:

Dimensions	Chair Height	Chair Depth	Chair Width	Seat Height	Seat Depth	Seat Width
Chair	870	680	640	500	480	500
2-Seater	870	680	1130	500	480	1000
