

Vertical Lift

The Vertical Lift is designed to assist those who require more specialised seating but still allows the user to relax in the comfort of an Oscar chair. It is available in two styles of release arms (swing away or drop down) to enable the user to ease in and out of the chair.

Mechanism

The Vertical Lift comes with 3 Linak Motors, for vertical lift, recline and Leg rest. The motor, hand control and mechanism are warranted against faulty workmanship for 2.5 years from the date of purchase by customer. Liability will not be accepted in the case of incorrect operation or customer abuse.

Vertical Lift Dimensions
