

# Ziggy

The Ziggy is specially designed to combine comfort and support, with an internal spinal curve. The seat bucket is moulded in commercial ultra fine cell structure foam insuring a long life span.

## Options

The Ziggy can be order with a polyurethane moulded arms and base or with cast alloy polish chrome base, castors, and arms with upholstered padded tops.

Frame: The frame is available as a wooden bride type frame in teak, Walnut or Baltic stain colour. The office type frame is available with or without arms and is available as chrome or black plastic legs.

Seat Cushion: The foam used on the Ziggy is a specially moulded cold cure foam over a sprung back metal frame, with a 10 year guarantee.
