

B24

The B24 is available as the Brumby style or the Menningham style chair. This chair comes with 170mm front wheels and 100mm back castors with a footbrake. The B24 comes with a rechargeable 24volt battery, which allows the convenience of using your chair without being near a power supply. The B24 comes standard with a handle at back of chair so the carer has ease of handling and manoeuvrability. Also the B24 has a footplate to support the occupant's feet. The B24 has been manufactured to make the client as comfortable as possible, as well as being easy for carers to use.
